**RSVP Required**

## **Accessibility for All**

- Why accessibility matters
- How to include accessibility in the technology selection & procurement process
- What to look for and ask regarding accessibility when choosing technology & instructional materials
- The need for campus/district-wide policies & procedures regarding technology & material accessibility

**1:00 pm – 3:00 pm**

**Levan Canter**

Target Audience: Anyone from the campus and community who wants to learn more about technology accessibility.

**RSVP Required**

**RSVP** – [www.bakersfieldcollege.edu/conference/accessibility-for-all-2018-rsvp](http://www.bakersfieldcollege.edu/conference/accessibility-for-all-2018-rsvp)

**Gaeir Dietrich**

Director,  
CCC High Tech Center Training Unit

Gaeir Dietrich is the director of the High Tech Center Training Unit (HTCTU) of the California community colleges. In addition to being the director, she is also the alternate media trainer and speaks widely on the issues of creating and providing alternate formats. Gaeir is a member of the advisory boards for the Association on Higher Education and Disability (AHEAD), Bookshare, the Alternate Text Production Center (ATPC), and the Silicon Valley Independent Living Center (SVILC). She also serves as an expert to the board for the Access Text Network (ATN).
